Dedication

1947, Raymond B. Oliver returned to McDonogh as a mathematics teacher. Previously, Mr. Oliver attended McDonogh as a scholarship student, and he graduated in 1940. He then went on to the Naval Academy, and served in the Pacific during World War II.

Always adept at his profession, Mr. Oliver became Head of the Math Department in 1958. Most recently, he was appointed academic advisor to sophomores and juniors in 1978. Yet McDonogh is not the only recipient of his knowledge and guidance. He has worked for the Maryland State Fair for many years during the summer months.

Many McDonogh students are well acquainted with Mr. Oliver's fierce tennis rivalry against Colonel Kenney and his colorful expressions. "Hominy heads" and "take your brain out of your back pocket" are two of students' favorite uniquely Oliver expressions.

With a sense of humor and sound advice, Mr. Oliver gently guides students through the often difficult and trying years of Upper School. With great appreciation, the staff of the 1983 Legacy dedicates our yearbook to Mr. Raymond B. Oliver.

ADMINISTRATION AND STAFF

Headmaster's Office

As Headmaster of the school, Dr. William C. Mules (upper left) is responsible for the entire operation of the school. As the head of the administration, Dr. Mules works closely with the Dean's office in serious disciplinary matters. An avid photographer, he invites seniors to his home throughout the year for a spaghetti dinner and nostalgic slide show. Mrs. Grant (upper right) serves as Dr. Mules' secretary. Mr. Thomas Keigler (lower left), Assistant to the Headmaster, handles most of the important managerial decisions of the school. An American history teacher and Varsity Lacrosse coach, Mr. Keigler played for the United States World Lacrosse team during the summer of 1982. Mrs. Dorothy Liebno (lower right), the Alumni Patrons Office Secretary, coordinates all alumni functions. All the members of the headmaster's office work together to operate the school smoothly and efficiently.

In Appreciation

After fifteen years of devoted service to McDonogh School, Mrs. Eleanor McCarty will be retiring at the end of this year. We would like to express our appreciation for all the help she has offered us. Her main contribution to the school was the enlargement and modernization of the library's book collection. She also established the vertical file and upgraded the school's audiovisual equipment.

In her spare time, Mrs. McCarty enjoys traveling around the world. Last summer she visited Yugoslavia. In the future, she intends to continue with her traveling and also plans to take several art courses.

We wish Mrs. McCarty the best of luck in the future, and express our sincere thanks for all that she has done for McDonogh.

LOWER SCHOOL

Lower School

Mr. Robert Little has spent the fourth year in a new capacity—the Lower School. During this successful year, assisted by a dedicated teaching staff, the Lower Schoolers receive the preparation needed to advance to the Middle School.

In addition to academic studies, physical education and a full activities program are now a part of the Lower School curriculum. The Lower School provides a solid foundation for a McDonogh education.

In Appreciation

After thirty-eight years of devotion to the McDonogh family as a Lower School teacher, Miss Agnes Thomas will be retiring. During her years here, she has grown to be someone that her students felt they could depend on.

Miss Thomas, who was active in many Lower School activities, feels that the time she spent at McDonogh was filled with very, very happy years," with many special occasions such as the Family Days and Competitive Drill Days, and the school's seventy-fifth anniversary.

Miss Thomas was a tremendous asset to the McDonogh community and many people will be sorry to see her leave. We would like to express our sincere appreciation of her kindness and devotion towards others and wish her all the best of luck in the future.

MIDDLE SCHOOL

Middle School

Under the guidance of Mr. Q.D. Thompson, the Middle School provides a solid background for the future Upper School years. With a strong curriculum including French and Latin, Middle Schoolers are given a head start in preparing for the often difficult Upper School courses.

Extra-curricular activities are also a large part of the Middle School day. Such activities as the Backpacking and Drama clubs invite a great deal of enthusiasm. In athletics, boys and girls compete in a wide range of inter-scholastic teams. Every aspect of the Middle School day, whether it be academic, athletic, or extra-curricular, is designed to be both challenging and fun.

The Arts Department, under the direction of Mr. John Van Meter, was a newly organized department this year which combined the music, dance, and art programs. The music program, under the guidance of Marshall Anders, completed a successful year. Lower and Middle School students took Music class as part of their regular curriculum. However, individual music instruction was also available to any interested student on a wide variety of instruments. Musically inclined students from all three schools formed an orchestra which played at several school events.

The Dance program, under the direction of Ms. Young, provided instruction in dance to Lower, Middle, and Upper School students as part of the regular athletic program. Students who were unable to participate in dance as an athletic were given an opportunity to elect dance as an activity. The Dance program presented several special events during the year. A joint faculty-student production, Bye Bye Birdie was produced under the guidance of newly appointed Director of the Arts John Van Meter and Miss Young. The club plans to represent McDonogh at the International Theatre Arts Conference in June.

Physica

Physica was a newly introduced activity to McDonogh this year. Physica, the Latin word for "study of nature", is a program that sponsored many science related activities throughout the year. The Physica program, co-ordinated by Mr. Seigman, had eleven faculty sponsors from various departments. Unlike the other activities in McDonogh's program, Physica did not have a specific group of members. Rather various activities were announced and all interested students were encouraged to participate. The Physica activities covered such diverse opportunities as making apple cider, doing ecological studies, and learning techniques for nature photography. The Physica program was met with much enthusiasm and was a welcome addition to McDonogh's activity program.

FALL SPORTS

Varsity Soccer

This year's Varsity Soccer team had an outstanding season. The team compiled an overall record of 12-2-1, ending with an exciting 3-1 victory over Severn in the MSA Championship.

The Eagle defense, which set an MSA record for shutouts, was led by goalkeeper Rick Santos and backs Hilary Kavarian and Chris Edgar. The midfield play was the key to McDonogh's offense throughout the year with the superb play of co-captains Colin Beckles and Bruce Voelker. Scott Broadbent led a strong offensive line along with Craig Gold and David Reamer.

Under the direction of Coaches Seal Thomas, and Poklemba, next year's squad will include a solid group of players from the championship team. The Eagles will be led by junior Mike McGuire, along with other talented veterans and players coming up from this year's Junior Varsity championship team.

Varsity Football

Once again, the Varsity Football team competed in the rugged M.S.A. "A" conference. The year could be described as unusual since the team finished with a record of 2-9. Depth was a problem causing the Eagles to drop some very tough games to Poly, Calvert Hall, and Loyola. Leadership was provided by players such as Brian Kilburn, Paul Meurer, and Todd Sweeney.

The running game was the strong point of the team because of the excellent blocking led by Peter McNierney and Jeff Irrgang. The receiving chores were handled by Jeff Sindler and Dickie McGee. Coaches McMullan, McKibbin, Bosley, and Moran were proud of this year's team despite the losses.

Varsity Field Hockey

The motto of this year's first team was "red hot". With the determination, skill and spirit of the fourteen players combined with the positive and consistent support of coaches Karen Scarlett and Diane Allewait, the team was able to live up to their motto and expectations. In doing so, they compiled a 17-0-3 record, the best ever in McDonogh's hockey history, and a #1 seeding in the A.I.S. Tournament. The season closed with a tie with Park in the finals of the A.I.S. Tournament, giving the Eagles a hockey co-championship.

The returning starting defense, Tracey Knock, Janet Mariani, Noreen Anderson and Holly Middleton combined their experience with the skills of freshman goalie Marielle Greer to lead the team to twelve shutouts. The attack, with Diana Owens, Debbie Stuehler and Alex Sachs as insides and Nicole Boynton, Courtney Clark and Cheryl Redwood as outsides, was an aggressive unit. Keke Leand, Alexandra Nephocleus and Dawn Porocki did an excellent job linking the defense to the attack.

The team beat Garrison, Severn and John Carroll avenging the three losses of last season. After two straight years of ties, McDonogh beat Roland Park for the first time ever this year. McDonogh was proud of the girls and their record season.

Varsity Cross Country

Under the guidance of coach Bob Seigman and the leadership of captain Mike Robinson, the Varsity Cross Country team recorded its second best record to date. The team finished the season with a 7-2 record, and third place in the M.S.A. "A" conference.

Robinson and newcomer Dave Everhart ran one and two for the Eagles all season. Maury Garten ran a consistent third for the team, saving his best performances for when the team needed them. Mike Kasper, Curtis Adams, Keith Golden, and Chris Jett battled for the fourth and fifth positions.

The team completed its season with strong performances in the M.S.A. Individual Championships. Mike Robinson placed first to become the school's first individual champion. Dave Everhart, fifteenth, and Maury Garten, Thirty fourth, had strong showings also. The Varsity Cross Country team was a true winner.

Varsity Riding

Coached once again by Mike Robertson, the Varsity Interschool team placed second overall at the Maryland Interschool horse trials. The four person team included freshman Josette Mitchell and Kristen Mowery and juniors Jodi Carpenter and Peggy Howard. All varsity riders were very highly competitive at their competitions and expectations for continued success next year are high.

Cheerleading

Through the years the Varsity Cheerleaders have always supported the basketball team. At one time this was a tradition for the boys. Since then it has become a tradition for the girls. The cheerleaders are always there to create some spirit around the team. They were always there to support the boys and the girls. They were always there to support the boys and the girls. They were always there to support the boys and the girls.

The 1981 JV cheerleading squad was made up of girls who had high spirit. Coached by Mrs. (Gina) Jones the girls spent many hours practicing in order to improve the JV cheerleading program. The cheerleaders squad cheered for many JV games and participated in the Central pep rally with the Varsity cheerleaders.

Soccer J.V.

The J.V. Soccer team ended their successful 7-4-1 season by defeating Friends 3-1 to win the "B" Conference championship. Coach Rick Thompson guided a strong, balanced team led by captains Tom Bowman, Cort Mendez, and Jon Turner. Goalie Rylie Wesen anchored a strong defense that kept opponents at bay, while high scorer Tom Bowman led the talented offense. The team displayed tremendous tenacity and a good attitude in each game they played. Coach Thompson stated, "At no time did they give up. They always kept going."

See girls, the guys can have teas too!

J.V. Field Hockey

Working with a coach, the girls formed a group with players from the Upper School. Strong players Lori Gertsen, Kristy Gertsen, Laura McKay, Laura Bokcutt, and Stacy Levin created a nucleus for the successful 1982 J.V. hockey team.

J.V. Cross Country

This years J.V. Cross Country team, coached by Tom Young, finished the season with a record of 1-2. This does not reflect the hard work and dedication by each runner during the season. The team was very competitive each meet and finished with close losses.

Tom Young was the team's top runner. He was closely followed by sixth grader Steffi Rausch. Suk Oh, Steve Crooke, and Albert Olsen rounded out the team.

The team's top runner, Tom Young.

JV Riding

The J.V. Riding team guided by Coach Sarah Hofstrader finished second and fourth overall in the J.V. Interschool this year. Experience was not lacking this season as sophomores Dee Mallet, Bridgit Pyles and Suzanne Stanton led the team in various other competitions. Hopes for continued success are high for next year.

Fresh-Soph Sports

The fresh-soph soccer team, consisting mainly of freshmen, showed improvement and promise as the season progressed. Coach Mel Heath's squad posted a record of 2-2, with two wins over Friends. The two losses to Gilman were close games and the team played well against older, more experienced players.

Under the supervision of coaches Andy Motsko and Doug Cooper, the fresh-soph football compiled a 1-2 record. Although the team was inexperienced, much enthusiasm was displayed by the players.

The third team was created for those who did not want all the obligations of a first or second level team, but still wanted to play field hockey. Also, it gave the beginners an opportunity to learn field hockey in a relaxed atmosphere so that they may participate on the first and second teams in future years.

Under the guidance of Coach Amy Frew, the skills of all the girls greatly improved throughout the season. Against such teams as Friends and Bryn Mawr, the team tied all of its games. With a strong third team program like this one, McDonogh field hockey can look forward to many winning seasons.

WINTER SPORTS

Varsity Basketball

The Varsity Boys' Basketball team completed another successful season in the M.S.A. "B" Conference under the guidance of head coach Paul Smith and Assistant Coach, Al Leslie, a 1977 graduate of McDonough. The team compiled an impressive 19-6 regular season record. The Eagles also captured both the Mercersburg and Boys Latin Tournaments. Other season highlights included two games against Lutheran, a last second win against Gilman, and a win over St. Paul's in fourth overtime. Leading scorers Taurence Chisholm and Bruce Voelker combined to form a strong backcourt duo. Juniors Dave Bostick, Chuck Carles, and Scott Recher gave McDonough added strength under the basket.

Varsity Girls' Basketball

The 1982-83 Varsity Girls Basketball Team finished the season with a 5-7 record in the A.I.S. Conference. Coach Amy Frew guided a team that was hampered by inexperience and lack in numbers. Tri-captains Noreen Anderson, Tracey Knock, and Janet Mariani, the only players with previous Varsity experience, led the squad. Freshman Christy Weber and sophomore Holly Hubbard also played key roles. In the A.I.S. tournament the Eagles defeated Bryn Mawr before succumbing in the second round to first seeded John Carroll.

Varsity Wrestling

The Varsity Wrestling team, guided by coaches Henry Hooper, Bill Seal, and Rob Smoot IV, performed well in the tough MSA "A" Conference. Although there were no real standouts, the team had good balance. The lightweights, Brooks Durkee, Andy Klaff, Paris Papaminas, and Mike McGuire, posted impressive records. Heavier weights Nakazawa, Jett, Sindler, Peddy Lehmann, and Kayarian also performed consistently throughout the season. Captain Jeff Irgang provided leadership, along with many strong performances, for the team.

Varsity Swimming

Coached by Mr. Lou Martin, the Varsity Swimming team finished with a 5-5 overall record, losing only to Mt. St. Joe in their conference. The Eagles also defeated a strong Gilman team twice during the season.

Captains Dave Everhart and Jason Lee provided the leadership necessary for a successful season. Everhart set school records in the 200 IM, 500 freestyle, and 100 butterfly. Newcomers Sandra and Susan Seaman established school records in the 100 backstroke, 500 freestyle, and 100 breaststroke.

In the M.S.A. championship finals, the Eagles also met with success. Captain Dave Everhart placed second in both the 200 IM and the 500 freestyle. Chip Sheridan placed fifth in the 100 freestyle. Maria Sorongon, a consistent performer all year, placed sixth in the Varsity diving finals.

Cheerleading

The 1982-83 Varsity Winter Cheerleaders were tri-captained by Michele Vetter, Mary Hooper, and Don Dziwulski. Under the dedicated coaching of Mrs. Cecil Mular, the cheerleaders cheered at all of the important basketball and wrestling events. The cheerleaders also competed at a competition at the Naval Academy in Annapolis. This year's winter squad was unique because of the great number of male participants in the program. The squad also contained two seniors, Michele Vetter and Jeannie Schuerholz, who have cheered eight seasons since their freshman year. The J.V. Squad coached by Ms. Vanni, also provided support for McDonogh's J.V. athletic program.

J.V. Girls' Basketball

The J.V. Girls' Basketball team finished with a final record of 4-6-1, posting victories over St. Paul's, Bryn Mawr, Park, and Garrison Forrest. Coach Anne Turner did a fine job of forming a strong team consisting of young and inexperienced players.

The team received strong performances from Stacey Levin, Amy Kilburn, Melinda Rau, Betsy Royall, and Lisa Spear. Injuries and illness to three key players contributed to four straight losses at the end of the season. Valerie Clayton, Michelle Fonte, Emily Kroopnick, and Usha Sunkara played well also. Marked improvement was shown throughout the season by all of the players.

J.V. Wrestling

Allright- I give up! Uncle, UNCLE"

The J.V. Wrestling team, although young and inexperienced, fared well in competition posting a 11-2 record. A strong team effort was the key to the grapplers success. Several wrestlers from the J.V. filled in for the Varsity when need-

Members from this year's team should provide a strong foundation for future Varsity teams. Standouts included Greg Bell, Greg D'Alesandro, Sam Field, Mark Koski, Myles Levin, and Suk Oh.

The New Richard Simmons

J.V. Swimming

The J.V. Swimming team had its best season ever. Under the guidance of Coach Tom Young, the team recorded a 4-2 record, placing second in their conference to Gilman.

During this successful season, two relay records were set, medley and freestyle, along with several individual marks. Andre Sandison broke school records in both the 100 and 200 freestyle. Lee Frapp, in the 100 breast, and Amy Kishter, in the 50 freestyle also established new school records.

In the M.S.A. Championship finals several athletes showed their prowess. Karen Finkelstein and Denise Sanchez finished second and third in the diving finals, respectively. Mitch Greenberg took a fourth in the 100 fly.

The only way to start off remembering the good times throughout my four years at McDonogh is by thanking the people that made it all possible- my parents. You have both worked harder to get me in and through McDonogh than I have. That shows a lot of courage, faith, and mainly love. You supported me not only financially but also spiritually. You attended every one of my games, pushed me when I needed a little pushing, and were always there with open arms when I needed help. I know you're proud of me for your son but not nearly as proud as I am to be your son. I LOVE YOU BOTH!

Memories

To Mr. Mac, Mr. McKibbin, Mr. Thomas, and Mr. Box. Thanks for all the coaching and faith you've shown in me through the last four years. You all knew I could do well, you only had to get me to [redacted]. However, you stuck with me and I hope I [redacted] if you down. THANKS A LOT!

To Heidi: You hold a very special place in my life. You have always been there to help me when I needed it and to support me when I didn't. You have been very patient and very loving and that's something I'll never forget. There's nothing I can say here that you haven't heard. I hope and pray that our relationship will continue and grow in the future.

To my friends: You are too important to name just some of you. Thank you for making my stay at McDonogh special.

Special memories: During the last four years, I

had many favorable memories. I will never forget these special experiences and will cherish them always.

Unfortunate memories: 1) Although I will always be grateful for the chance to attend McDonogh, I will never forget being forced to go here. 2) I will never forget the empty feeling I had when I decided that after three years of Varsity Basketball, I would have to remove myself from the team in order to fulfill other commitments. 3) Leave your jersey here.

To Brag and Walker: Thanks for being my big brothers that I could look up to. Holly: Thanks for everything you and your family have done for Kate and me. I wouldn't be as happy as I am today if you didn't set me up with Kate Joe. We had a lot of fun times that I will always remember. You and Holly were always my closest friends who were very special to me. I hope we can always stay close. Maj: I could always turn to you for anything. You were a big part of McDonogh for me and I want to thank you for this. I have always been proud to be one of your boys. Mr. Smith: Although I could never completely understand you, I could always turn to you. You were more than just a coach, you were a teacher and a friend. You made me realize that I'm Kevin and not my big brother. Thanks for everything and I will stay in the goal! Ken: Thanks for being the older brother I could always look up to. I have always been

proud of you. Mom & Dad: If it wasn't for you McDonogh would have never come true for me. Even though I wasn't a very good student or athlete, you were both still very proud of me and gave me all of your support. What more could a son ask of his parents. I love you both very much. Kate: What can I say. Even though I wasn't an all-American boy, you were still always very proud of me, cared for me and made me feel very special. You made my last two years my best. We have been through some rough times and times will probably get rougher. I know we can make it, we have come too far already. Remember that I will always love you. McDonogh: At times I had so much work I wanted to get out, but most of the time I couldn't wait for the start of each school day. There is so much more here at McDonogh than just academics and my only regret is that there wasn't enough time for it all. I will always miss the Orange and Black.

MOM: I know that I can't say it all, but I love you very much. You've put up with me especially these last two years. You really have led your life to Amy and me—something that many mothers do not do. Our relationship goes beyond coming home on weekends to get my laundry washed. Thanks for all the games you came to and all the little things that make you special.

DAD: You are much more than a father—you are a friend. No one supports me more than you. You push me and make me strive to be the best at whatever I do. You don't know how it feels to see you at all my games and I mean all of them. You are

a special person, and I love you.

Amy: All of our disagreements tell nothing about the way I feel about you. It makes me really proud to see you here at McDonogh. Do your best at everything. I love you.

SAV: You are my biggest fan and supporter. We have been so close these past two years. You are the best grandfather around, and it makes me feel great to see you in the crowd at my games. Not all grandfathers do that, but that is why you are so special.

MAJ: You really turned my whole life around. Having me come to McDonogh was an opportunity that I wish others could be fortunate enough to receive. The ups and downs were always made easier because of you. You are one of a kind.

To all of the people who have filled my days with
cheer over these last seven or so years I say thank you.
You have taught me much, laughed and cried with
me, kept me on the straight and narrow (most of the
time) and given me the chance to experience things
that I will never forget. The memories I will take with
me now, although too numerous to mention here,
will always serve to help me continue along a better
path. I cannot say thank you enough.

Weston: If you stay on the path you have chosen for
yourself I know you will make it. Keep up the good
work. Good luck!

To Philip Weston: I can say: We have been through a
lot together over the years and you were always there
when I needed help. You and your wonderful family
indeed my home away from home will always
remain number one in my book.

Mom, Dad, Fred, and Gus: I know I haven't been the

Go placidly amid the noise and haste, and remember
what peace there may be in silence. As far as possible
without surrender be on good terms with all persons.

Be yourself. Especially do not feign affection.
Neither be cynical about love, for in the face of
ardity and disenchantment it is as perennial as the
grass. With all its shame, drudgery, and broken
dreams, it is still a beautiful world. Strive to be
happy.

- Memorial Services—Open to the public, each year a Memorial Service is held at Loudon Park Cemetery on May 4th. Those who have made the supreme sacrifice for their country will be announced in the papers.

Since its inception, the Post has been interested in the community and many things have been done to promote its welfare. Special credit should be given to the ENSIGN C. MARKLAND KELLY, JR. IF -

"BROTHER SQUARE TOES" REWARDS AND FAIRIES

If you can keep your head when all about you
Are losing theirs and blaming it on you
If you can trust yourself when all men doubt you,
But make allowance for their doubting too;
If you can wait and not be tired by waiting,
Or being lied about, don't deal in lies,
Or being hated, don't give way to hating,
And yet don't look too good nor talk too wise
If you can dream—and not make dreams your master,
If you can think—and not make thoughts your aim;
If you can meet with Triumph and Disaster
And treat those two impostors just the same;
If you can bear to hear the truth you've spoken
Twisted by knaves to make a trap for fools,
Or watch the things you gave your life to, broken,
And stoop and build 'em up with worn-out tools
If you can make one heap of all your winnings
And risk it on one turn of pitch-and-toss,
And lose, and start again at your beginnings
And never breathe a word about your loss;
If you can force your heart and nerve and sinew
To serve your turn long after they are gone
And so hold on when there is nothing in you
Except the Will which says to them: "Hold on!"
If you can talk with crowds and keep your virtue,
Or walk with Kings—nor lose the common touch,
If neither foes nor loving friends can hurt you,
If all men count with you, but none too much;
If you can fill the unforgiving minute
With sixty seconds' worth of distance run,
Yours is the Earth and everything that's in it,
And—which is more—you'll be a Man, my son!

You have been delightful to have around during these years and we can truthfully say that you have lived up to all of our expectations. There is no finer person at McDonogh and even though you have not always been given credit that you deserve, you have survived the disappointments in fine shape. We know you will excel at college as you have in life.

MOM, DAD, CHRIS, and STEPH

P.S. Now, If you'd Just Clean Up Your Room!

With all the powers of your body concentrated
in the hand on the rudder
All the powers of your mind concentrated
on the sea before the horizon
You laugh as the salt spray catches your
face in the second of rest
Before a new wave
Sharing the happy freedom of the moment
With those who share your responsibility
In the self-forgetfulness of concentrated
attention the door opens to find
Not a pure living miracle
A shared timeless happiness
Covered by a smile
A wave of love and

Thanks to those who have taught me this
Thanks to the days which have taught me this
